CLANK!

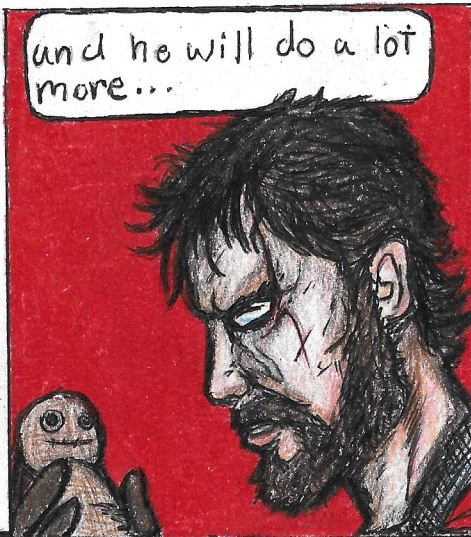

This old fool has held Power for far too long you will work for me now.

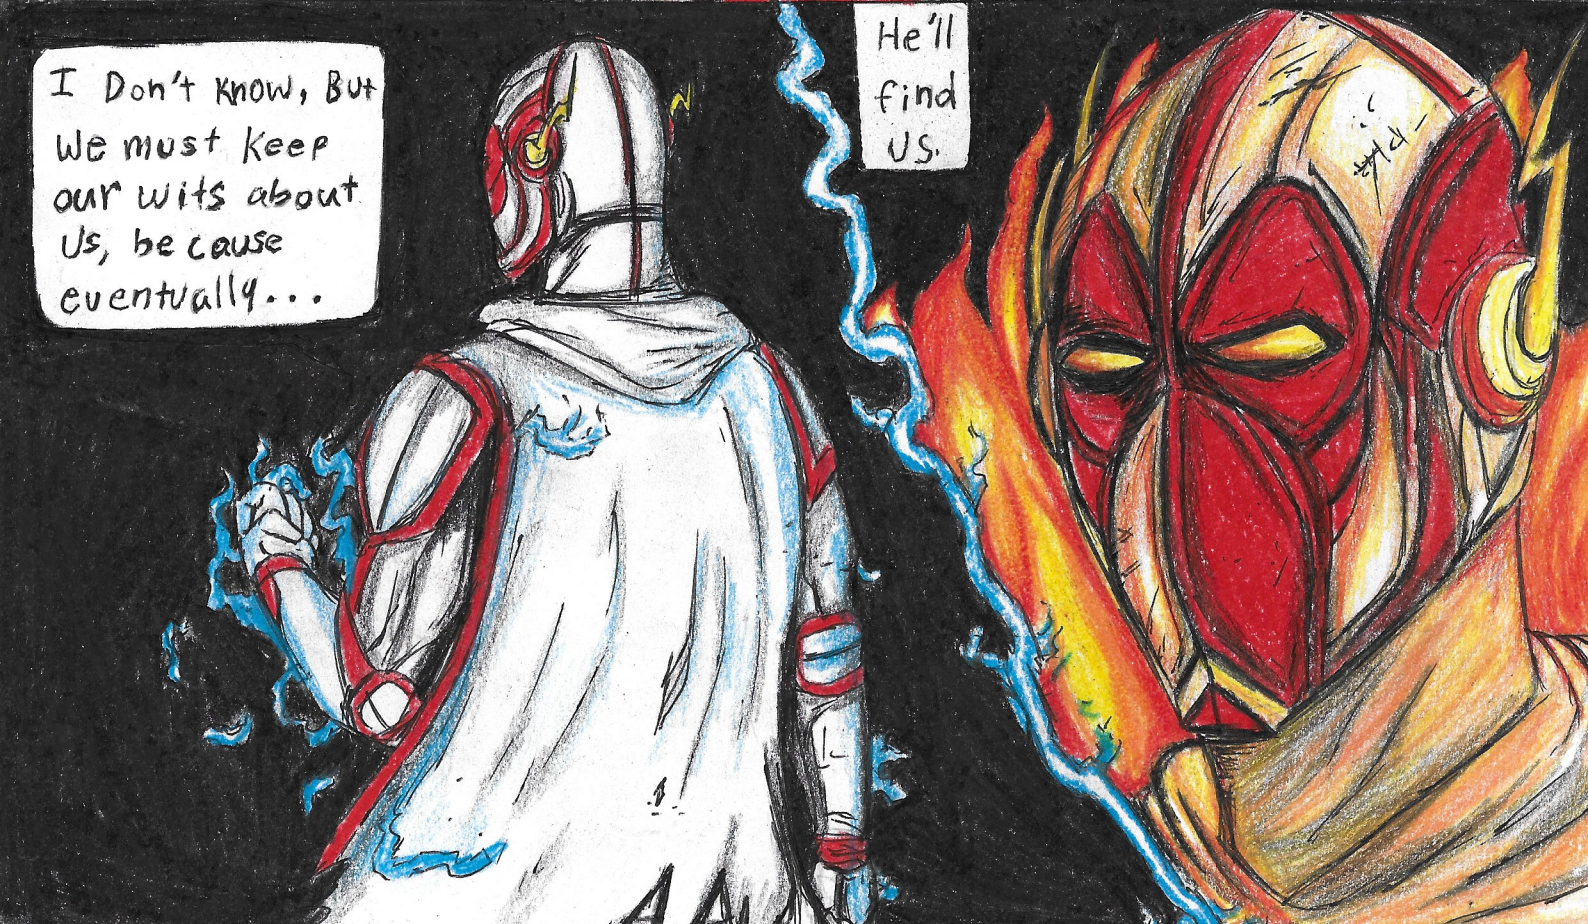

now you see the damage he can do...

and he will do a lot more...

where can I find him?

I Don't know, But We must keep our wits about us, because eventually...

He'll find us.

Whoever this lightwing is, it seems he sent us a friend.

BOOM!

Not gonna happen, Pasty

The Master Requires that I obtain that book

SIZZLE!

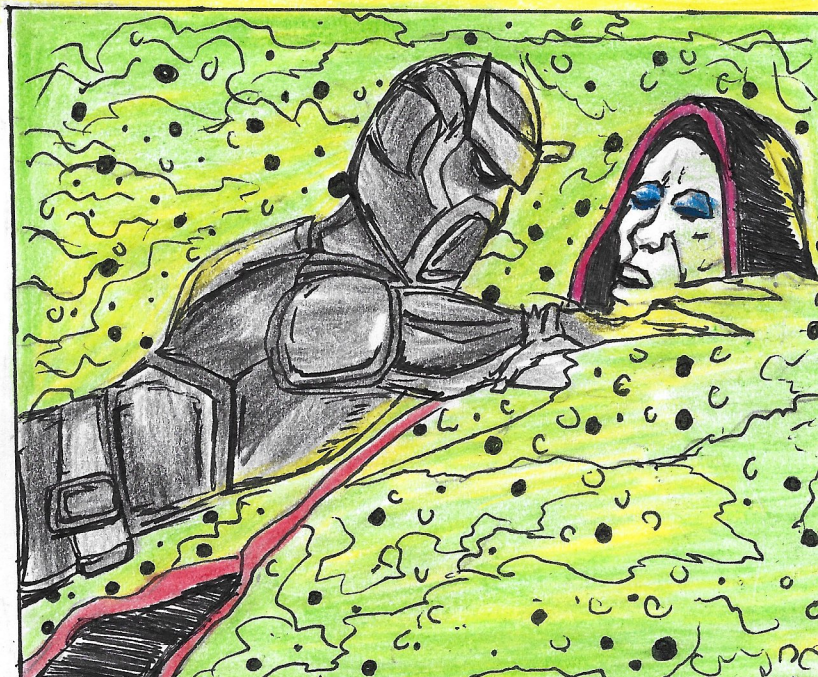

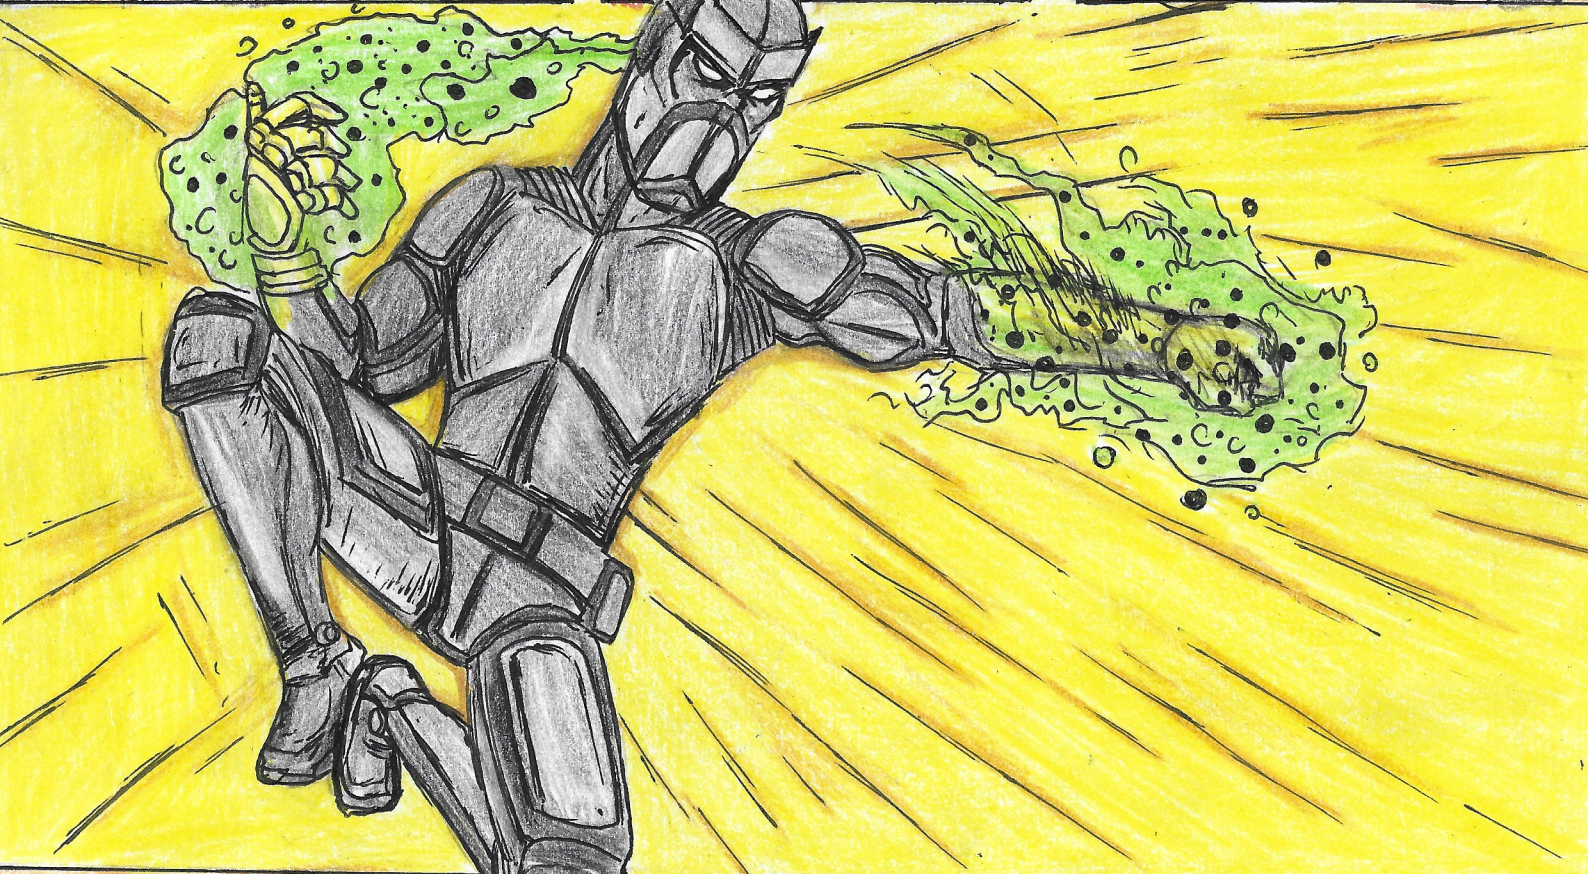

POP!

SHINK!

Then you will fall, not as a hero but as an old fool.

unghg...

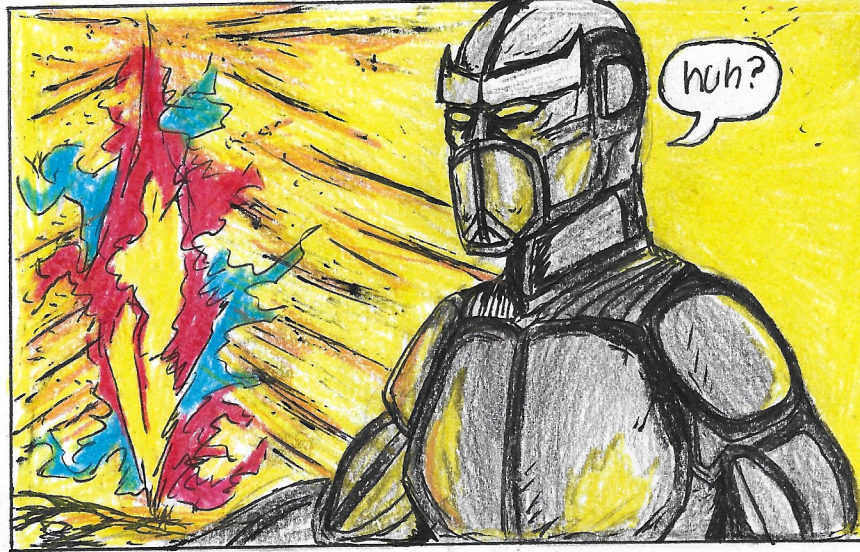

You fool, you cannot stop...

We will stop you, whatever it takes.

Man will fall. It is inevitable that all be reduced to their barbaric roots!!!

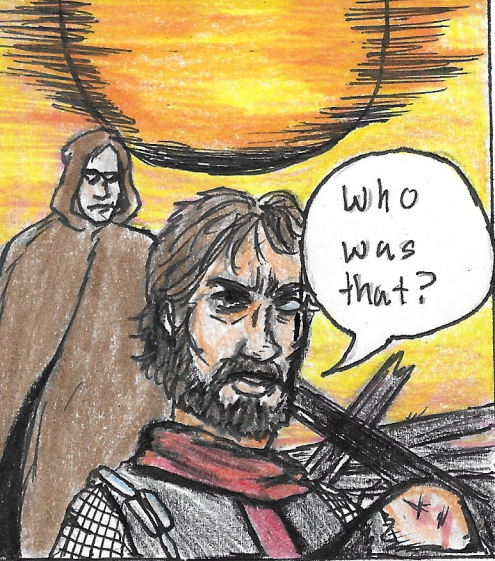

huh?

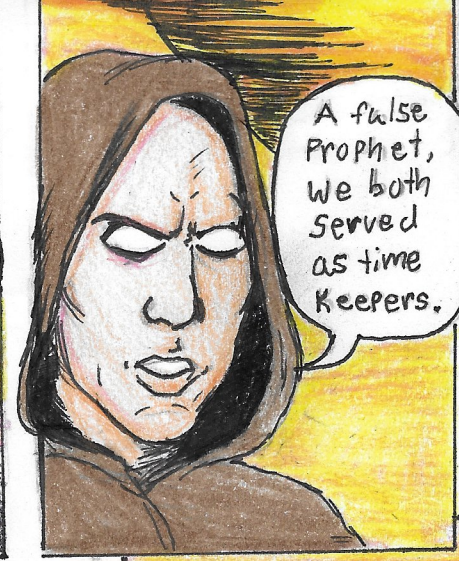

We shall succeed We shall prevail The race of man will fall!!!

Don't let him escape!!

Who was that?

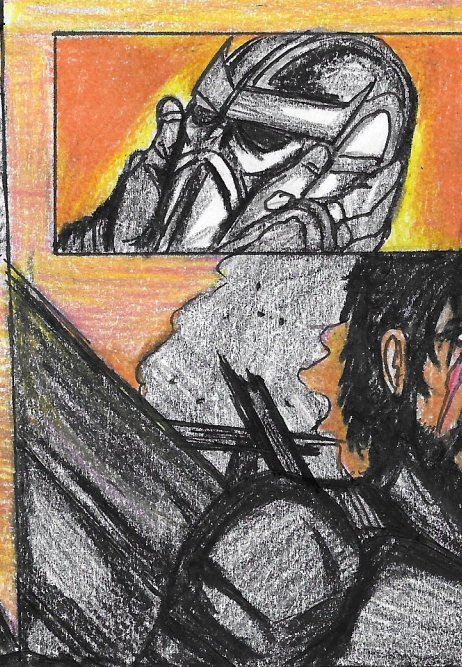

A false Prophet, we both served as time keepers.

No longer. Now he's been tainted with the lies of light wings forever his slave.

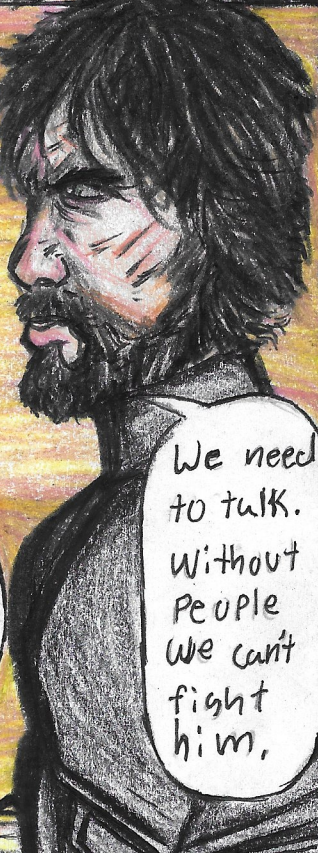

Yes, they used to guard the village

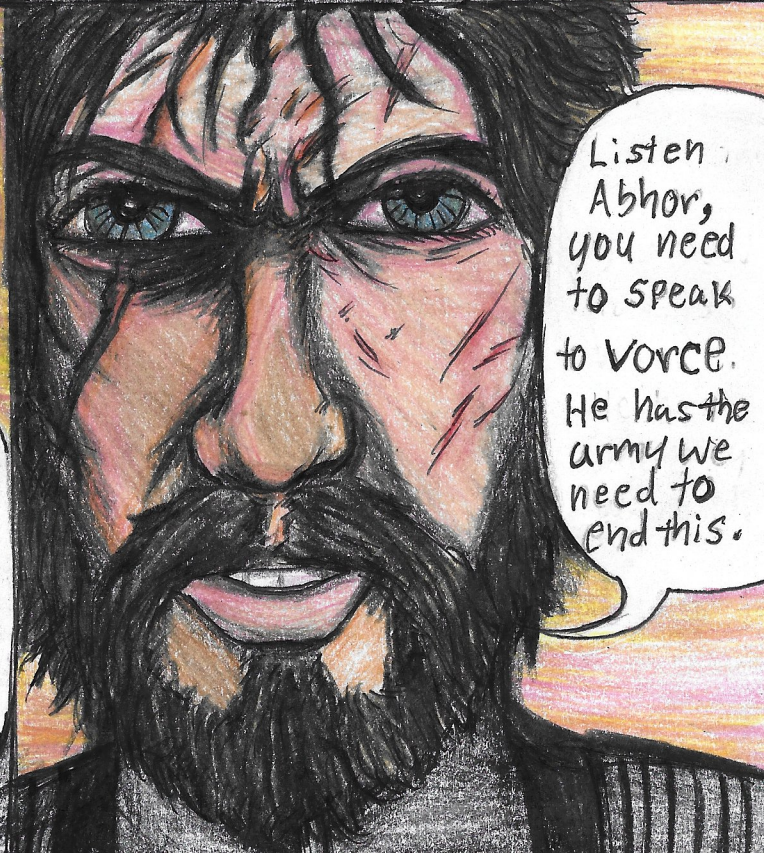

I came as soon as the scanners had detected another portal

I see you've copied my look

We need to talk. Without people we can't fight him.

Listen Abhor, you need to speak to VORCE. He has the army we need to end this.

Have you come to laugh at me?

No, I've come to ask for your help

I Can't help you

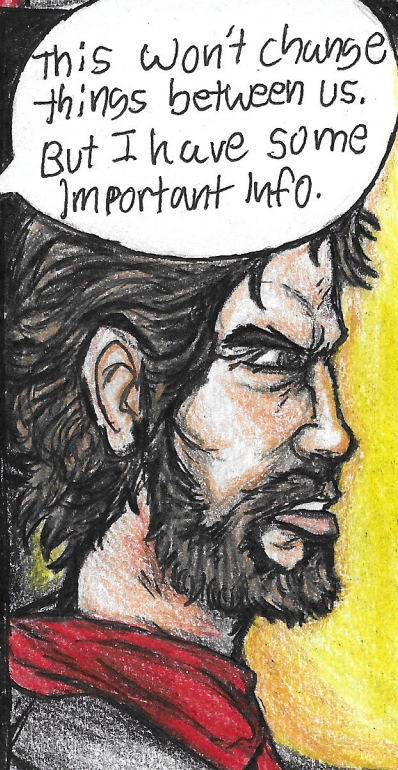

We just need your best men. Give us whoever you're able to give.

They work for him now. He took everything from me... Brought me down to my lowest point.

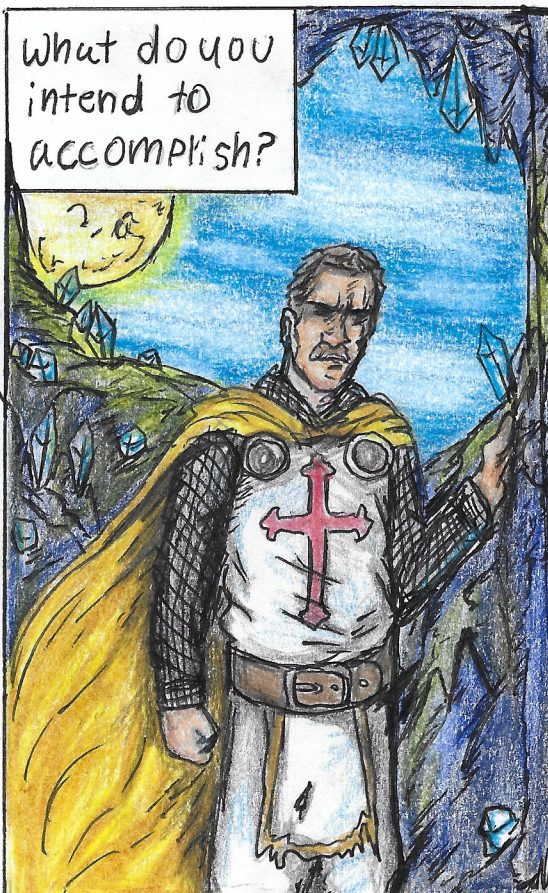

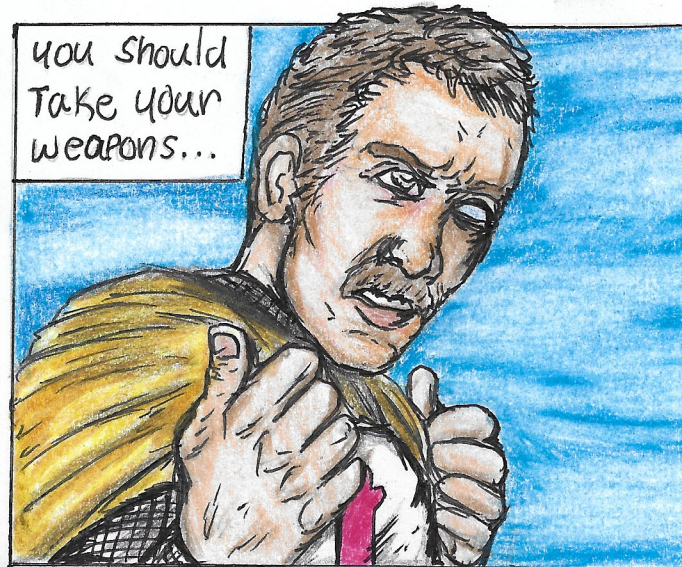

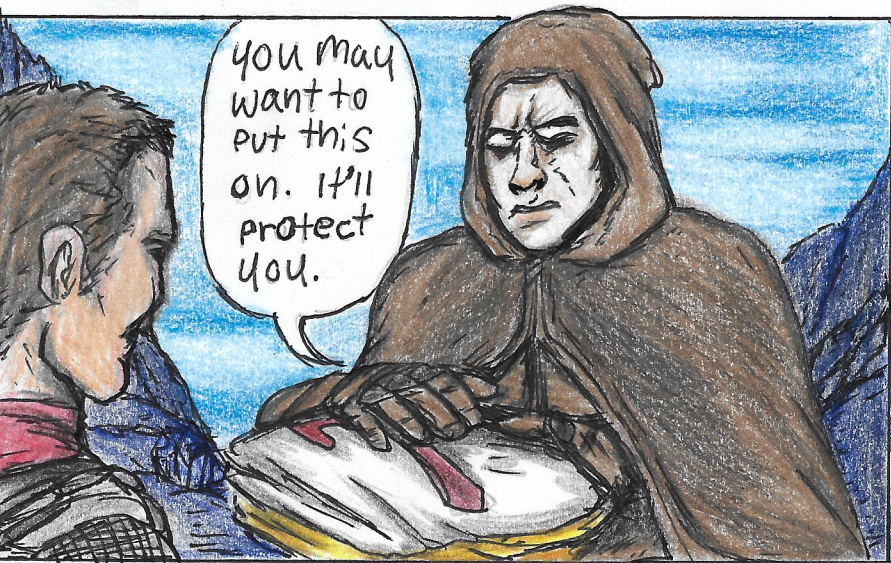

This won't change things between us. But I have some important info.

What do you know?

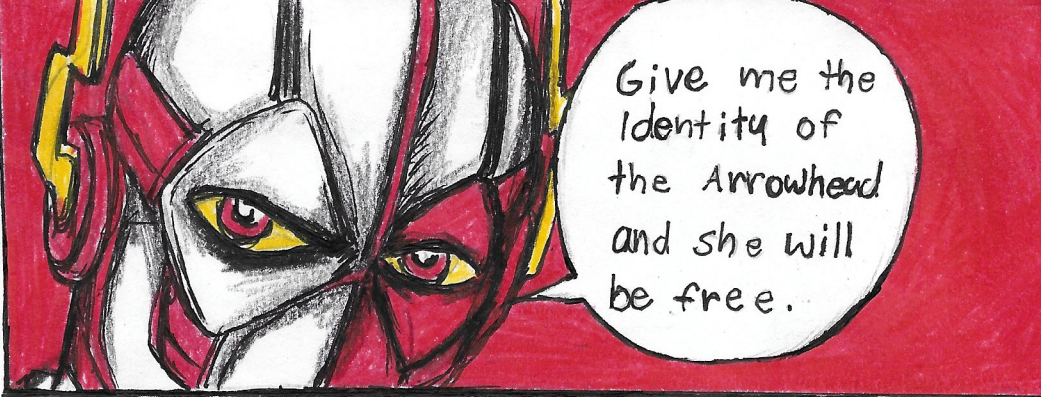

I know where he is.

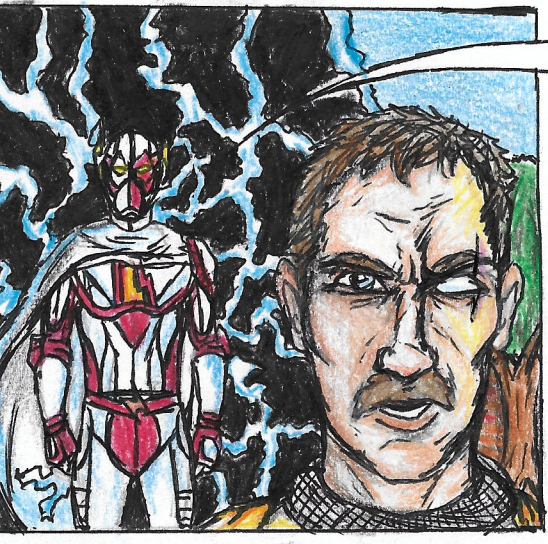

I took her soul as collateral.

Give me the Identity of the Arrowhead and she will be free.

I need not remind you of the mistakes you've made.

Do you remember this, the moment you shut down and lost the girl of your dreams and your best friend.

Sapphira... I need to ask you something.

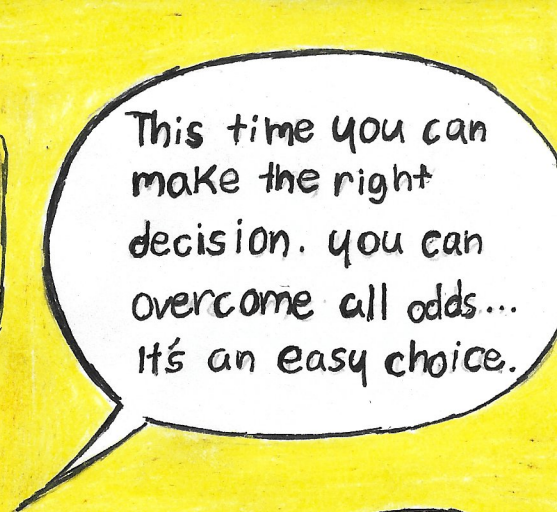

No please... STOP!!!

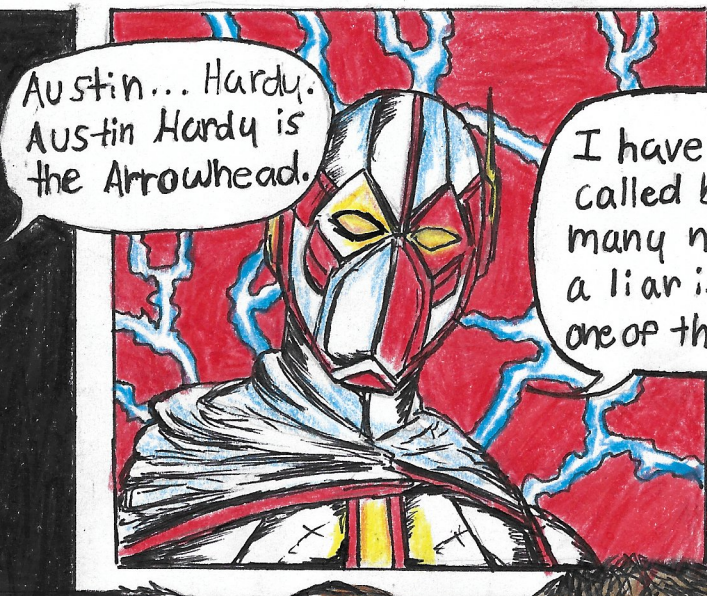

You are at fault for his untimely death. you made the wrong choice

Please don't do this...

This time you can make the right decision. you can overcome all odds... It's an easy choice.

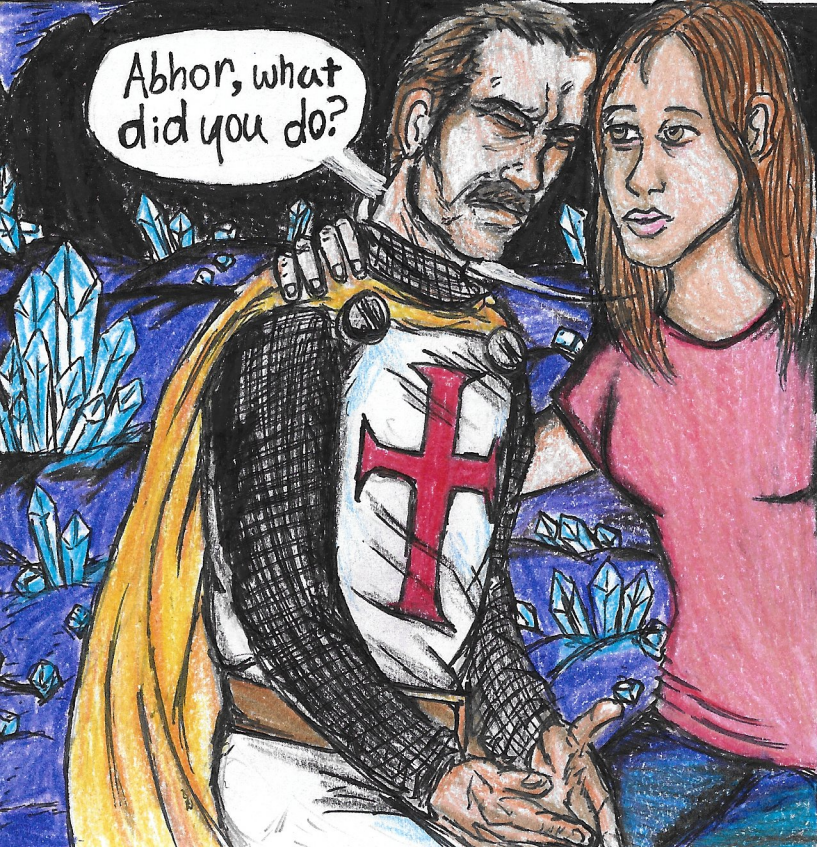

Austin... Hardy. Austin Hardy is the Arrowhead.

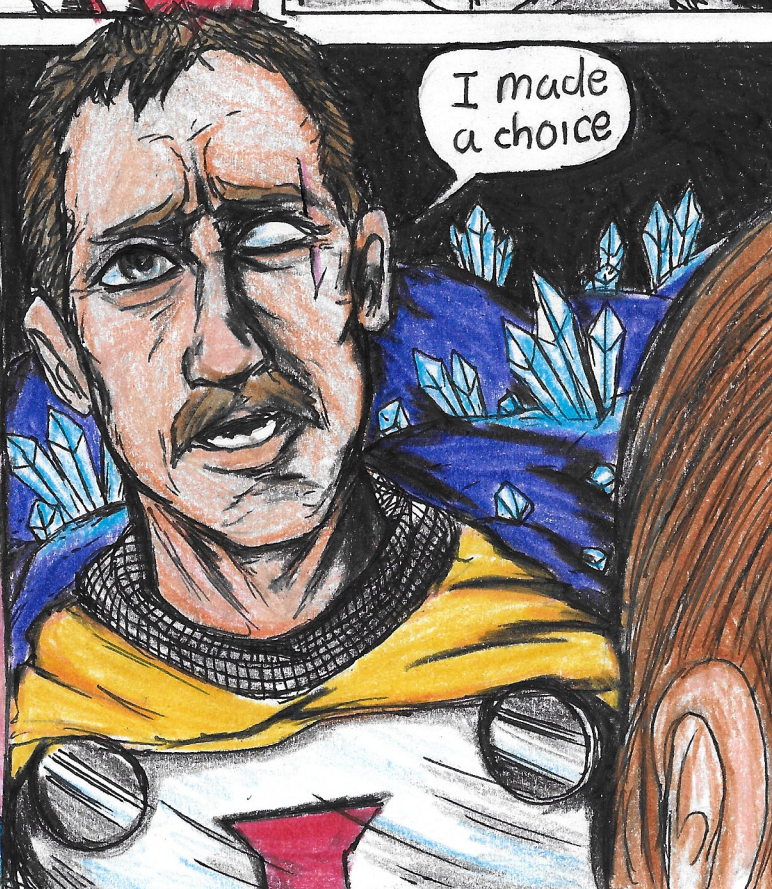

I have been called by many names, a liar is not one of them.

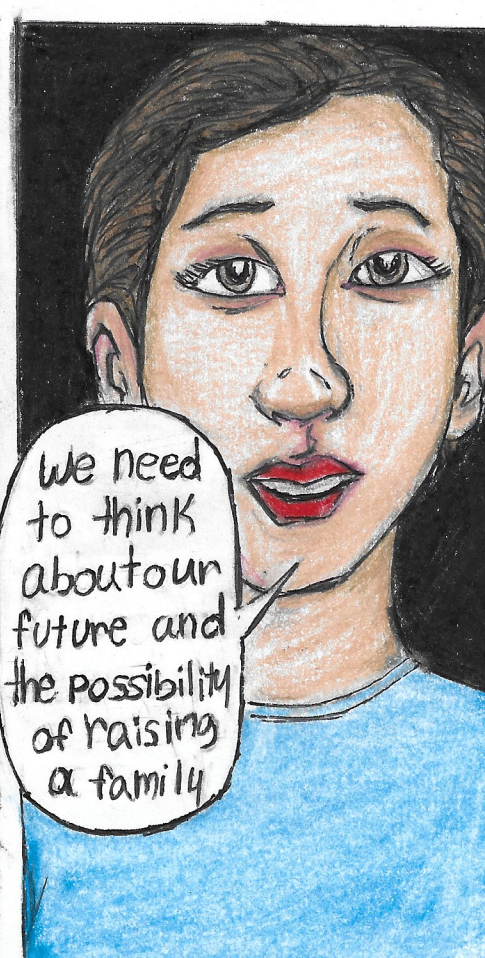

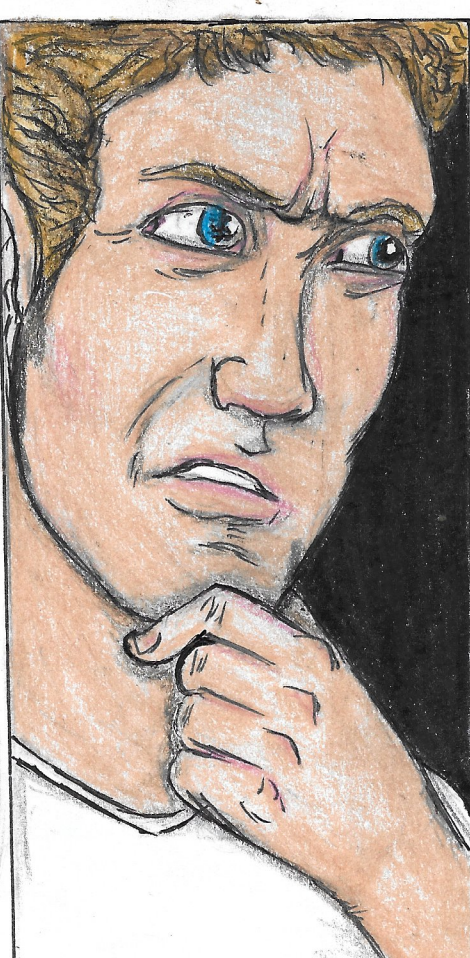

she walks free because of you. there were no villains today, only heroes.

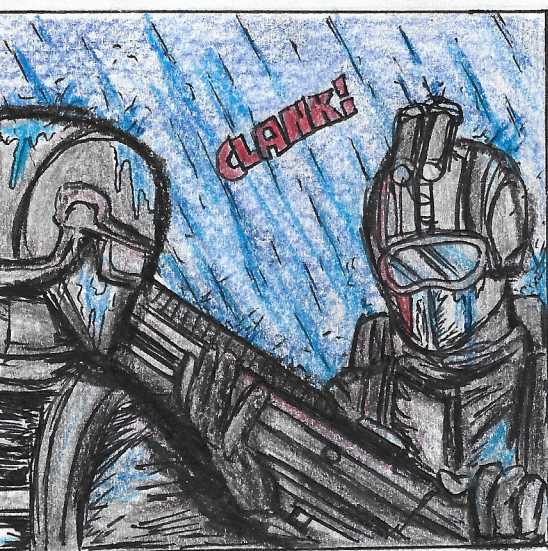

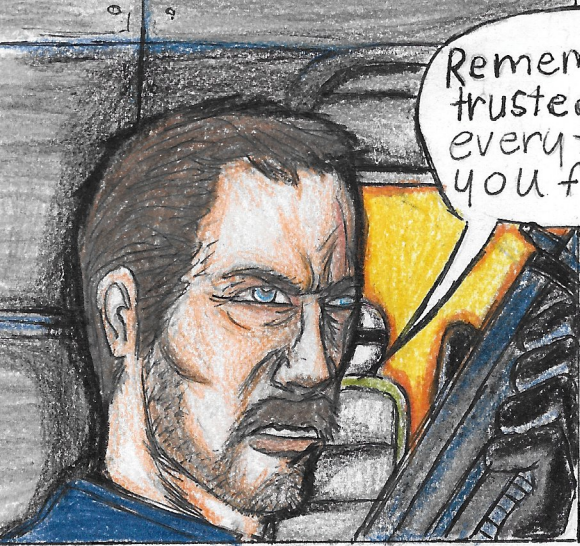

Abhor, what did you do?

I made a choice

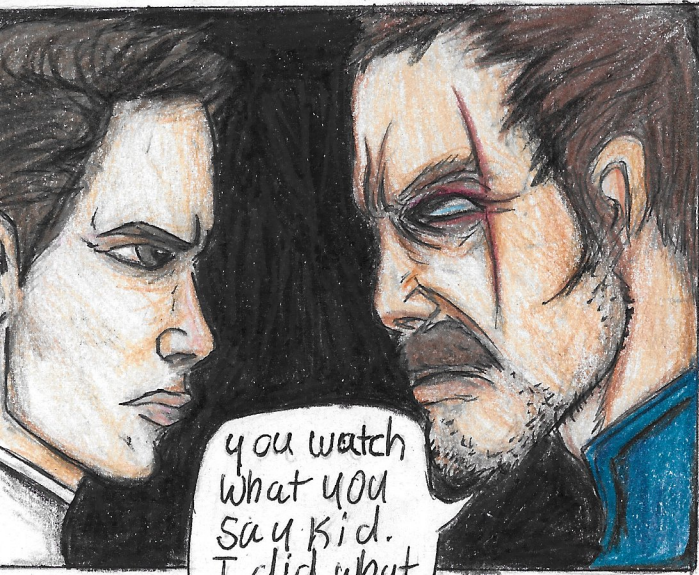

Remember, he can't be trusted, he'll try to do everything to make you feel powerless.

What, like the way he broke you on that island?

You watch what you say kid. I did what I had to do.

He framed me for the massacre of an entire village. A massacre which he was responsible for. She was all I had left. It was a selfish decision but one I had to make.

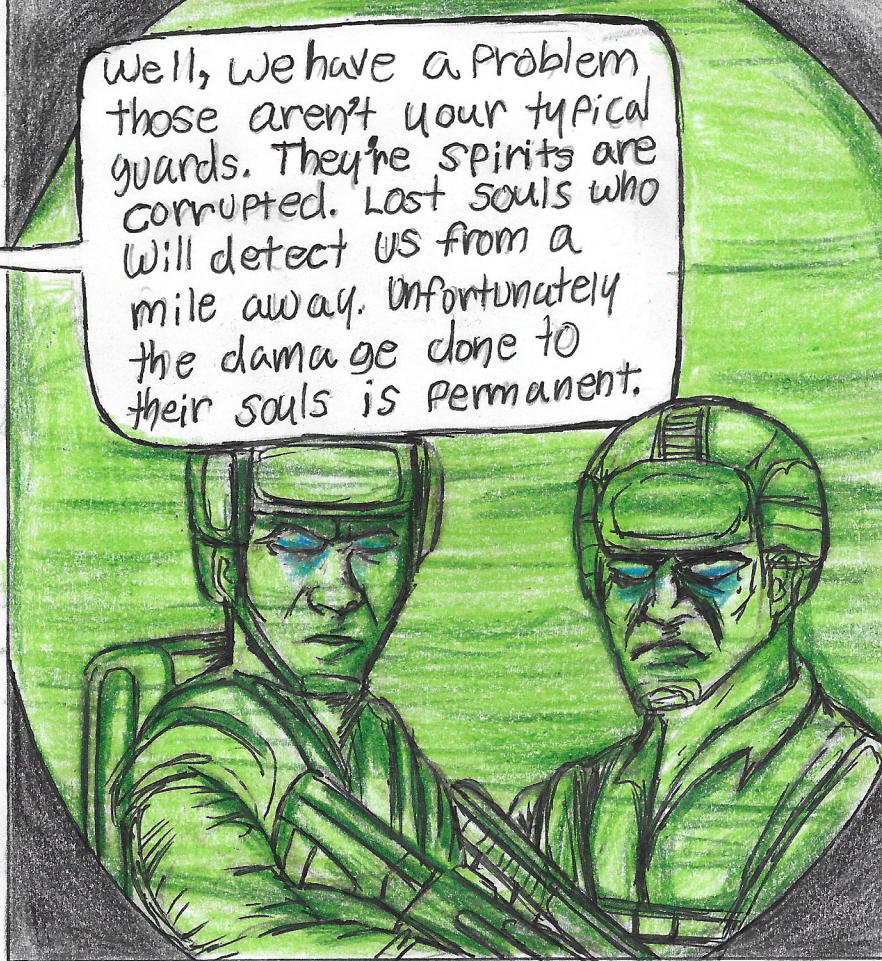

we've arrived

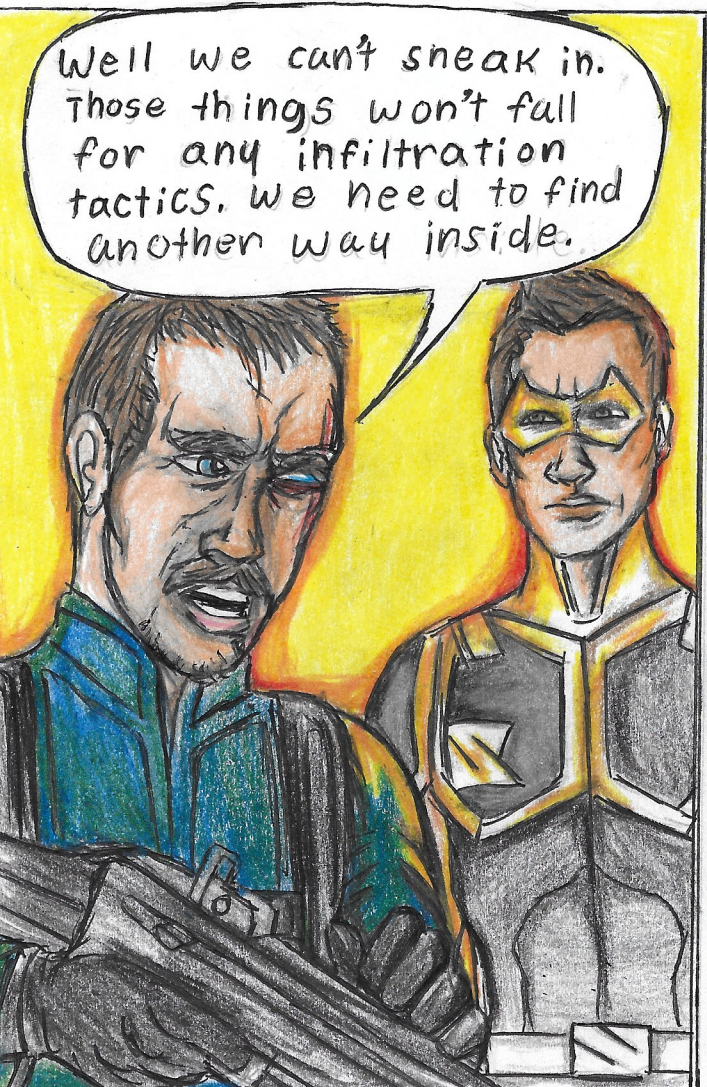

We don't stop until we find him. Search every room if you have to. Don't kill just to kill, move out!

Well, we have a problem those aren't your typical guards. Their spirits are corrupted. Last souls who will detect us from a mile away. Unfortunately the damage done to their souls is permanent.

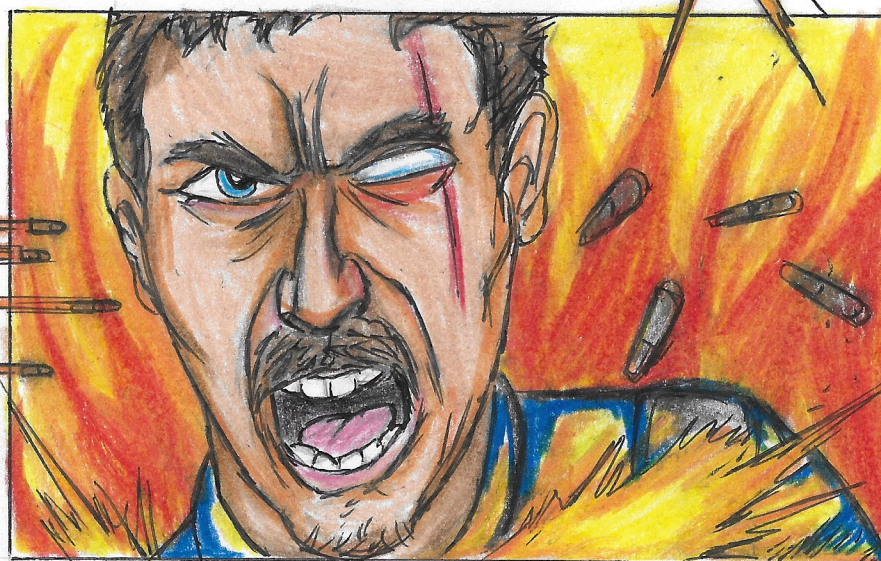

Well now we don't need to worry about killing.
So what do we do?

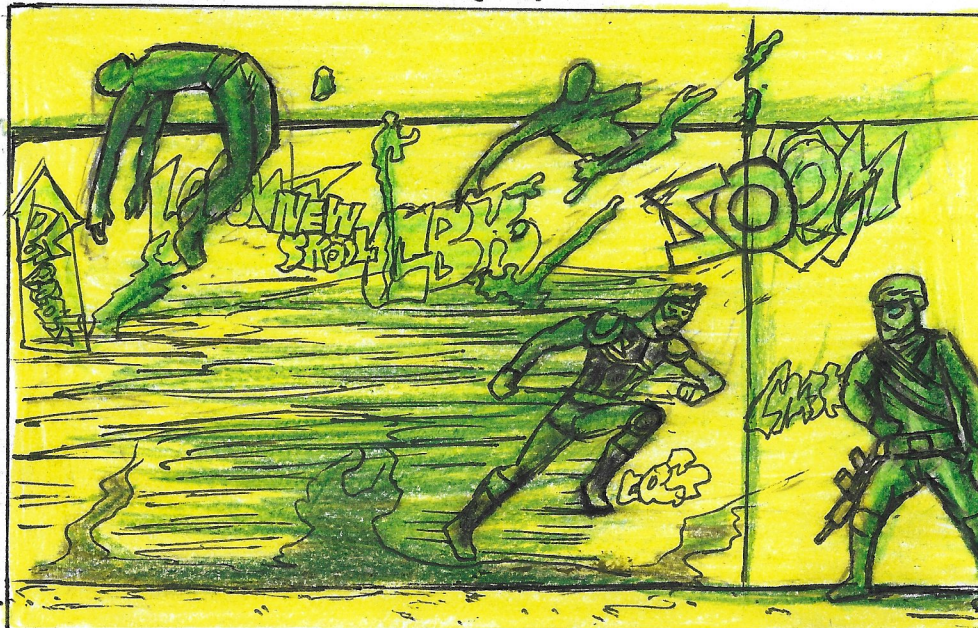

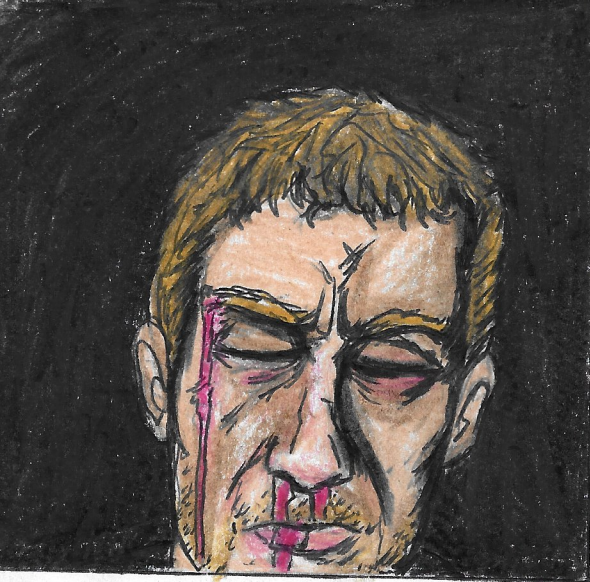

Well we can't sneak in. Those things won't fall for any infiltration tactics. We need to find another way inside.

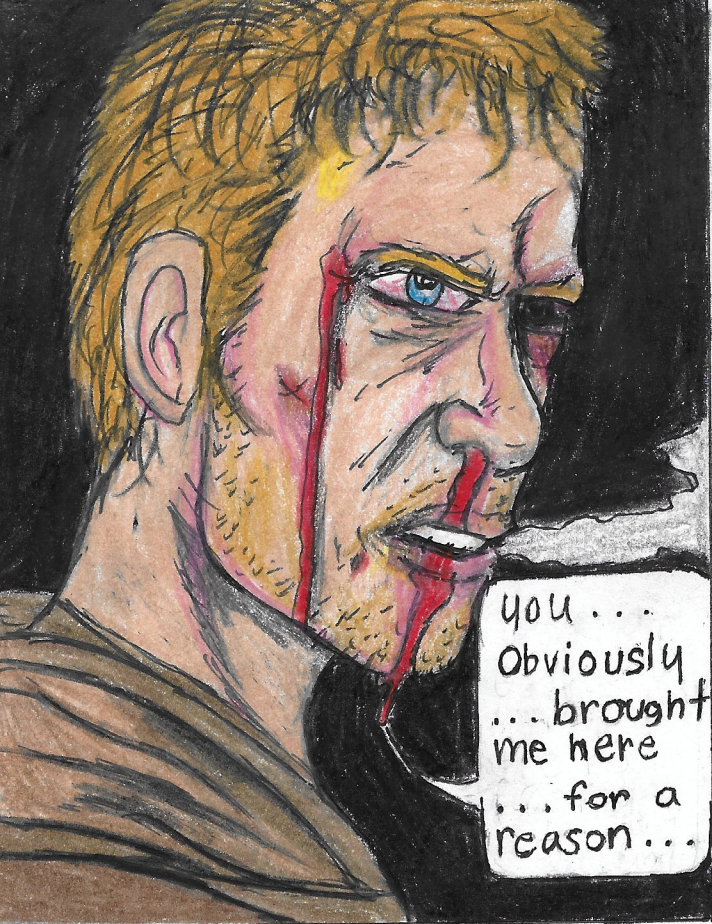

Who said we have to sneak inside?

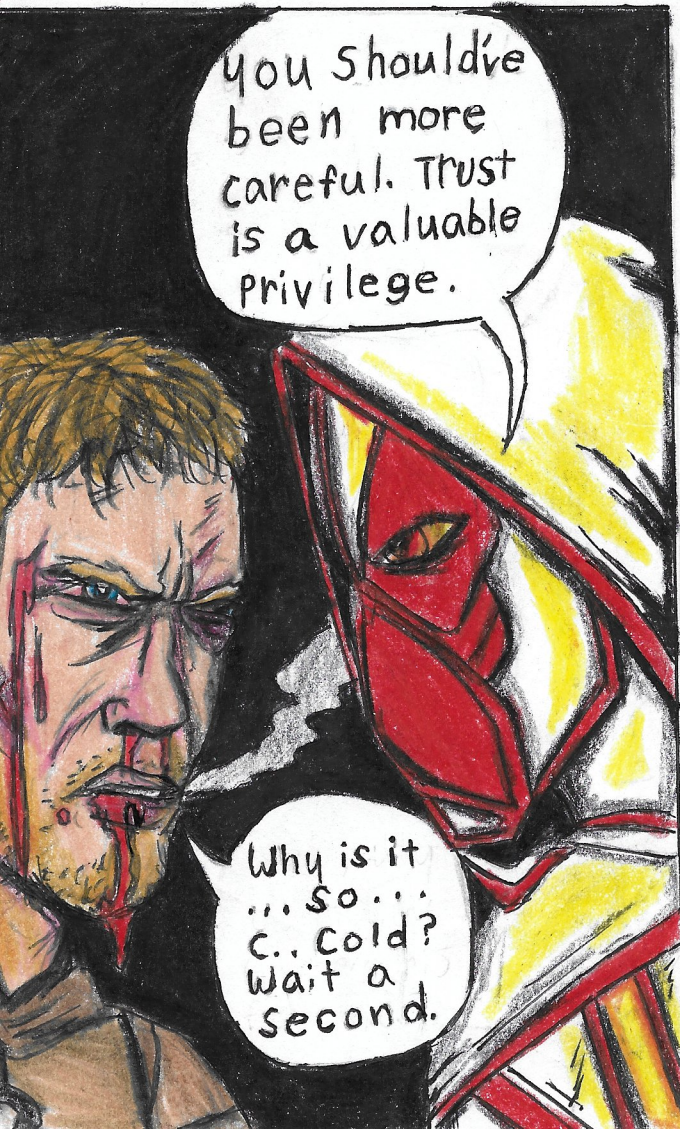

You ...
Obviously
... brought
me here
... for a
reason...

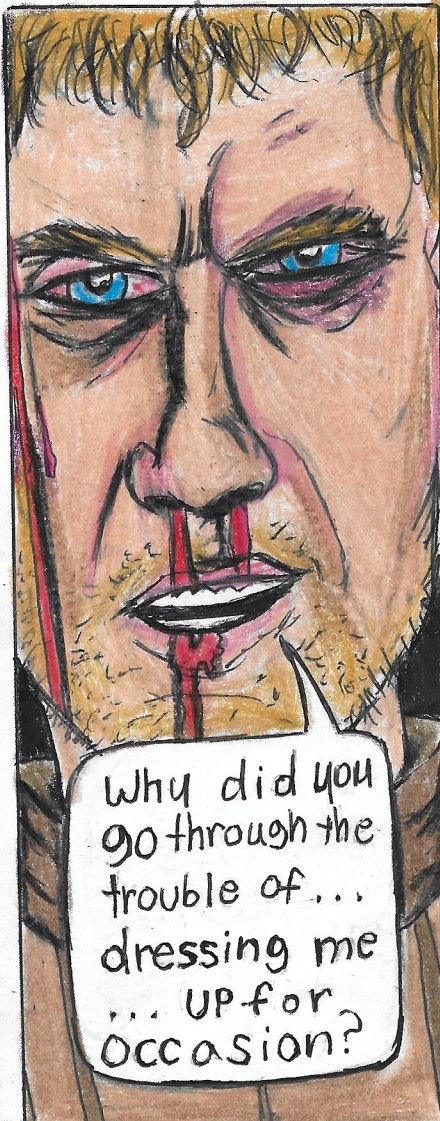

Heheh, you
get right
to the point.
You're here,
because
Your friend
made it so.

You should've
been more
careful. Trust
is a valuable
privilege.

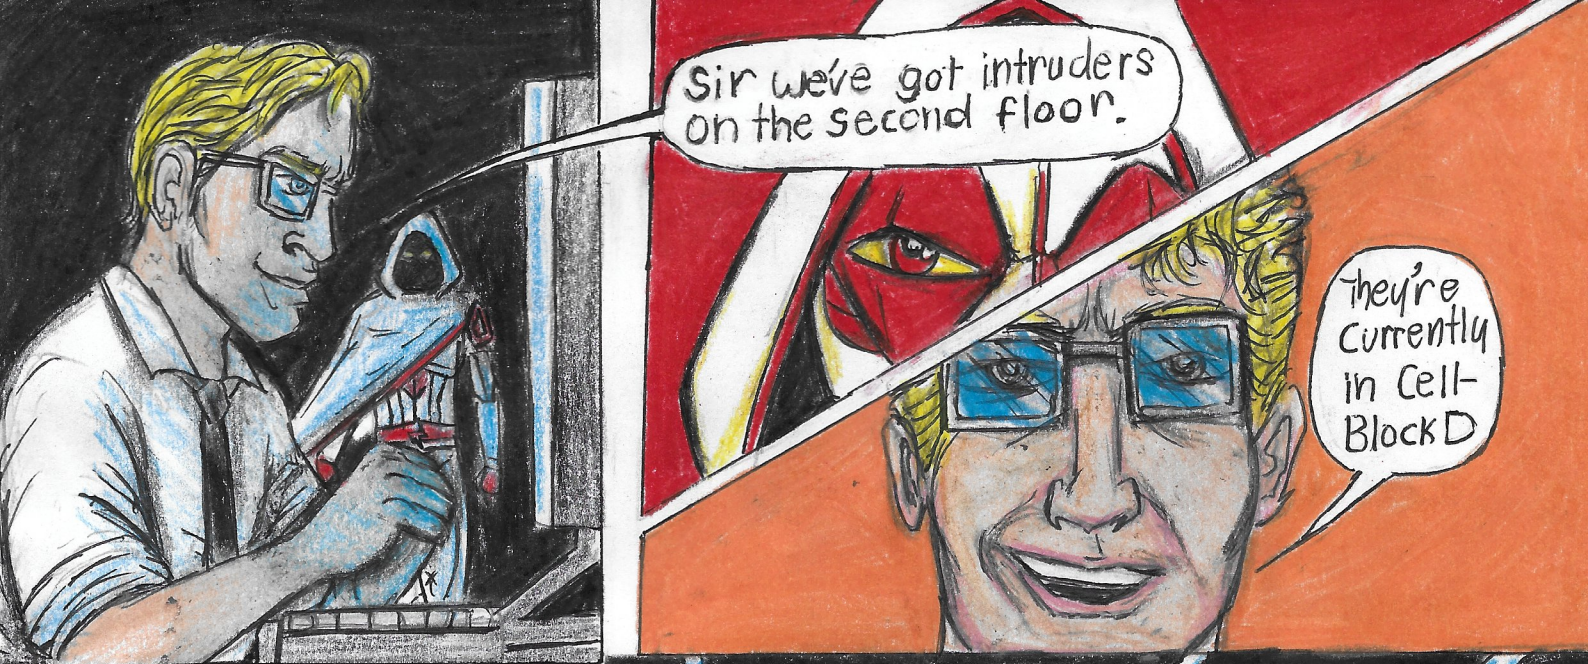

Why is it
... so ...
C.. Cold?
Wait a
second.

Why did you
go through the
trouble of ...
dressing me
... UP for
Occasion?

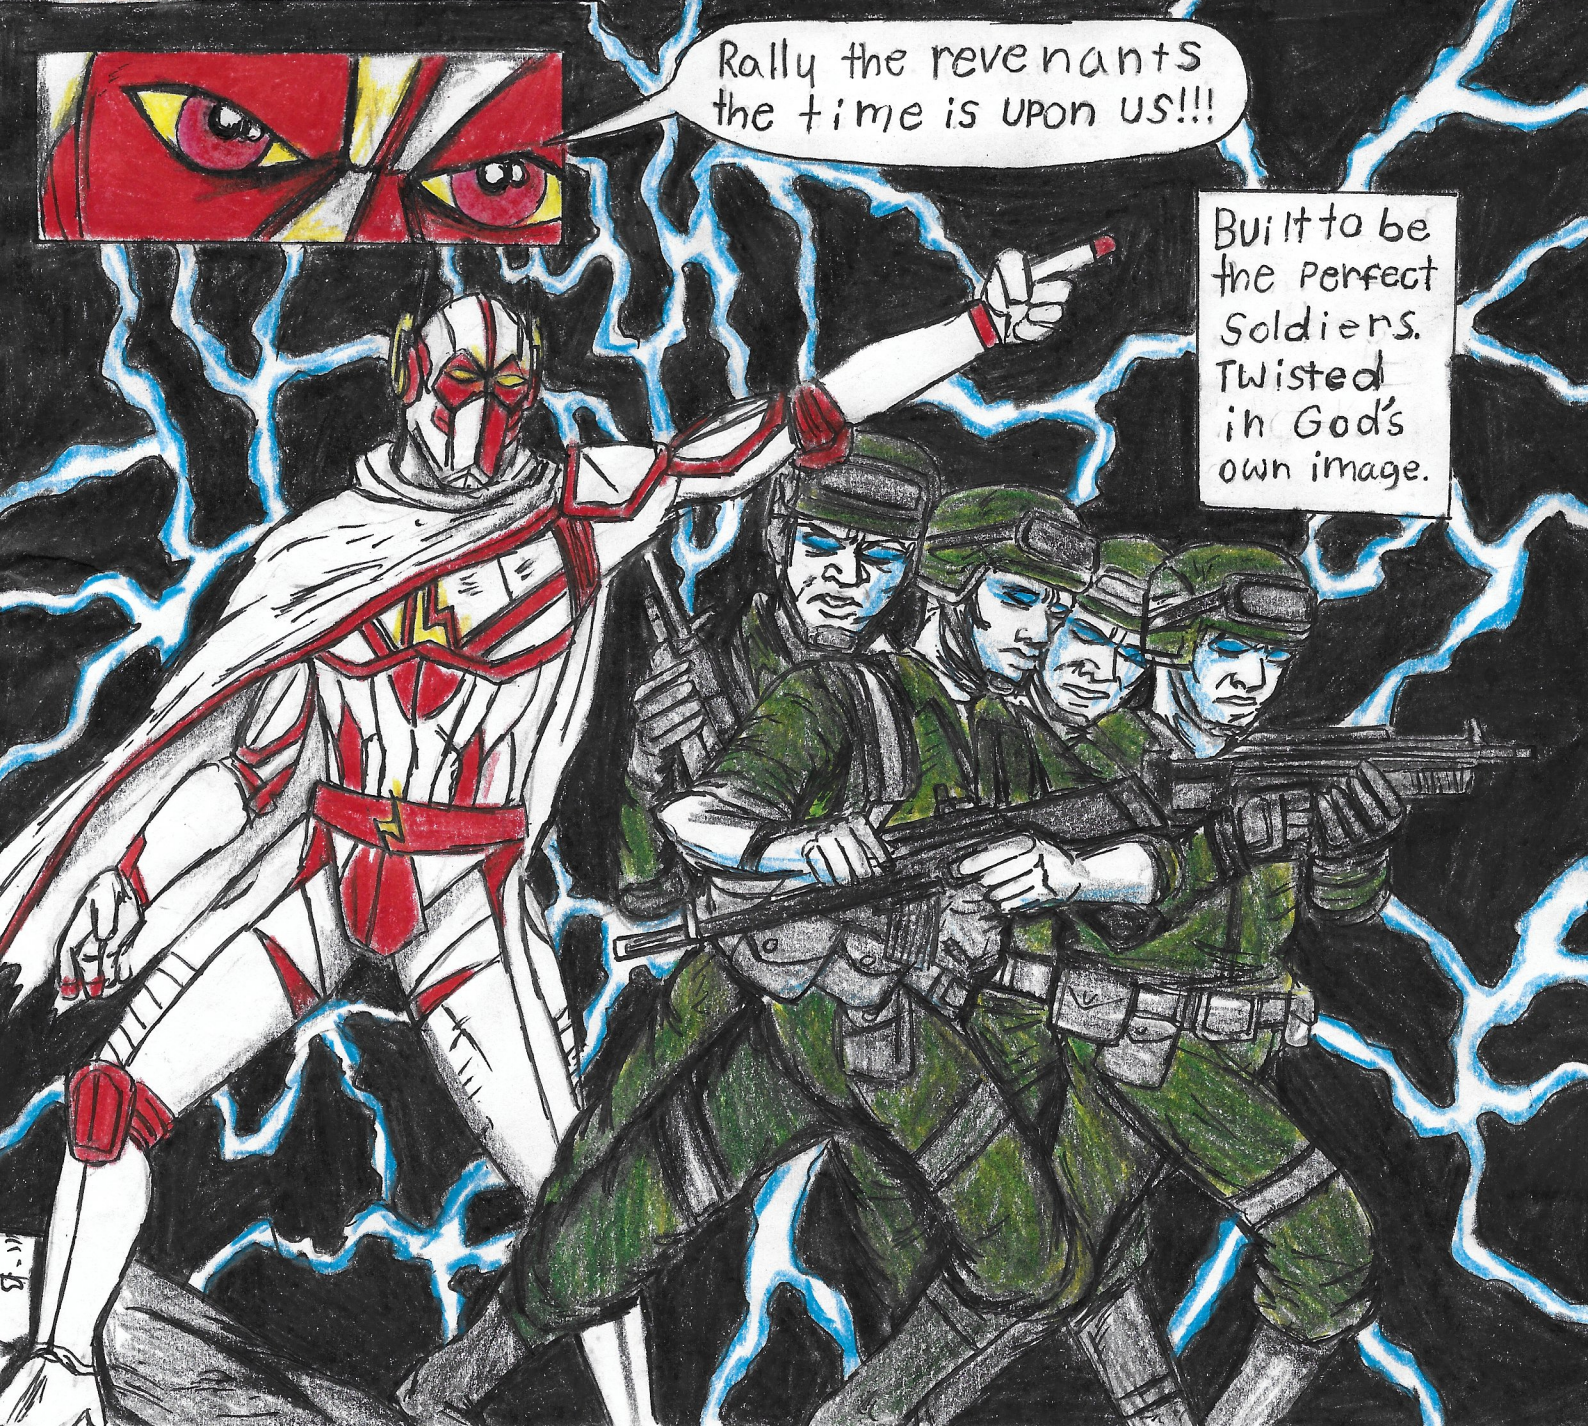

Because
I'm going
to eradicate
the Arrowhead.

Sir we've got intruders on the second floor.

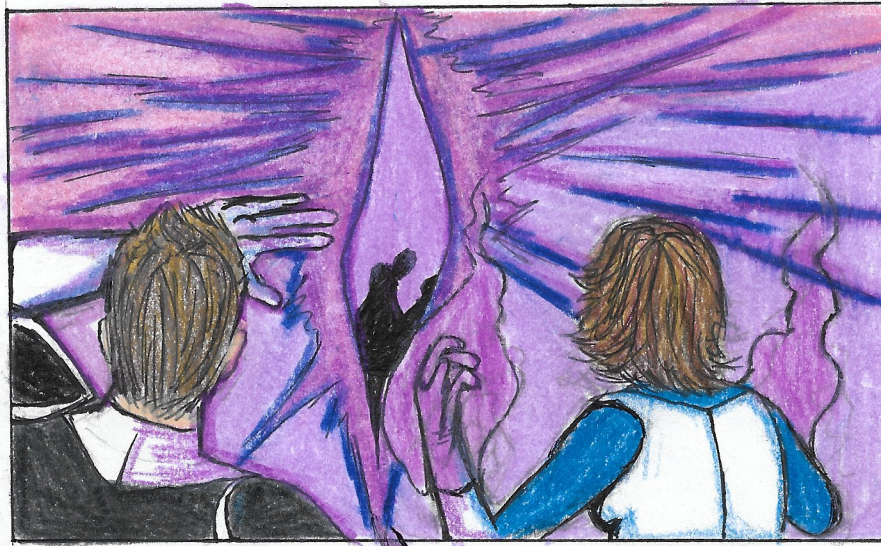

They're currently in Cell-Block D

Rally the revenants the time is upon us!!!

Built to be the perfect soldiers. Twisted in God's own image.

15-13

I came as soon as I could

What took you so long?

Traffic.

So doc, what's the deal?

Well, how do you feel about... Parenthood?

It's moments like this when you realize just how much you take for granted... When you realize just how much the people around you shape who you are. This is what I fight for every day.

unghgh...

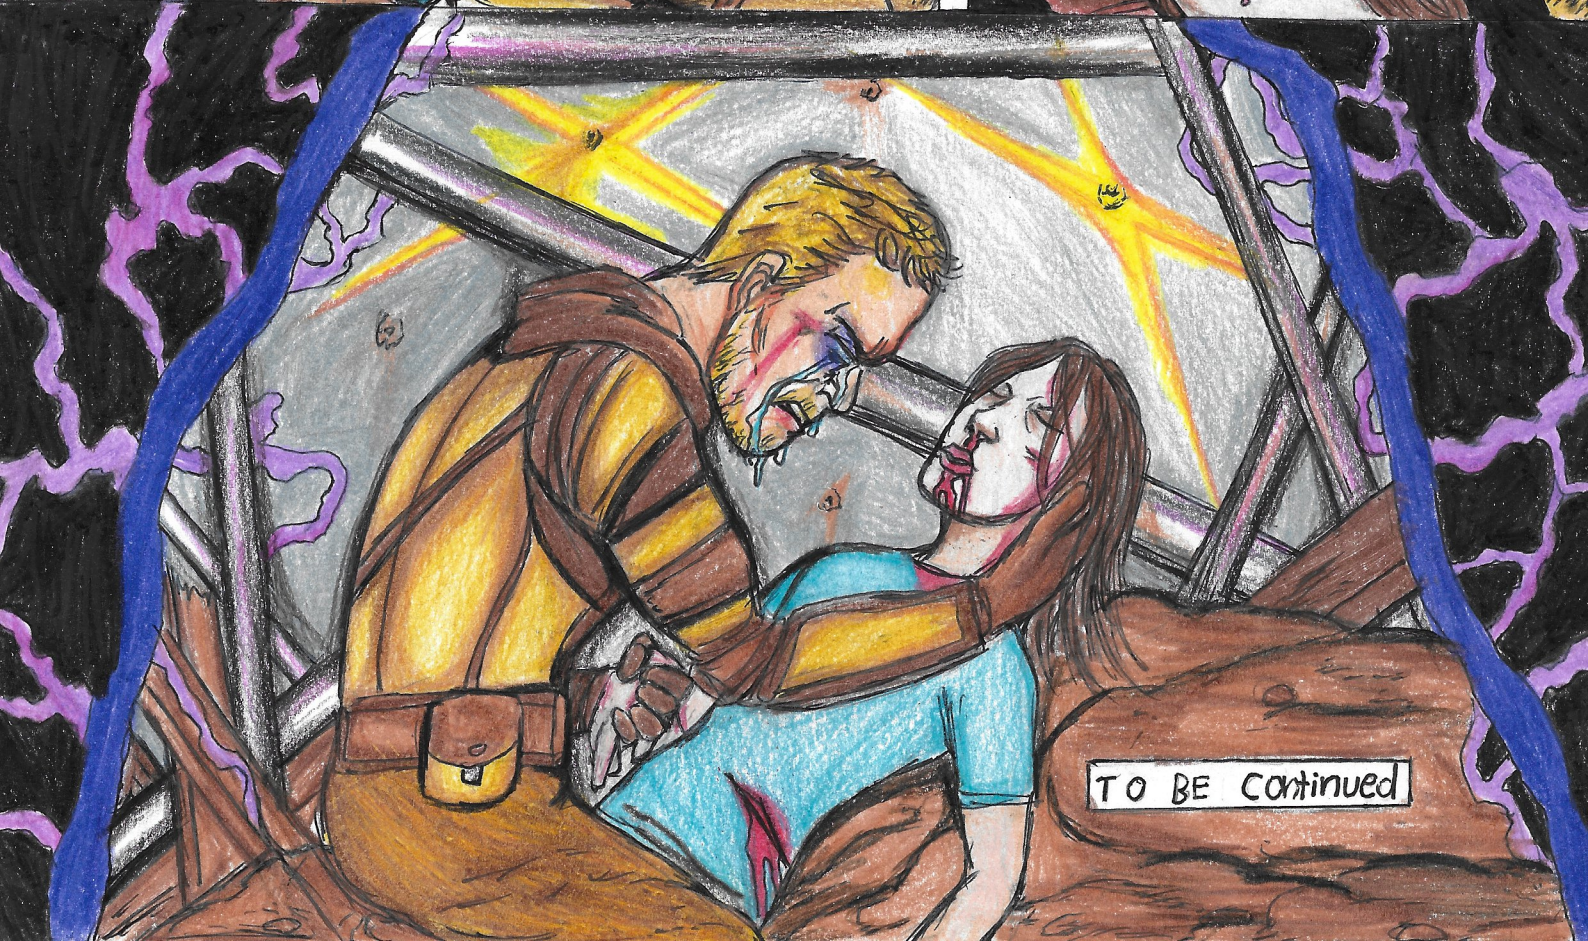

No... please...
