

# LIGHT WAR

WITH ALL THE ARTIFACTS IN MY GRASP, I SHALL BEND THE WORLD THE WAY I SEE FIT.

AT LAST WE WILL TAKE  
OUR PLACE IN SOCIETY

EL DIABLO!

where are the  
villagers?

you need  
to leave.

Bring forth the  
woman  
and...

LOOK INTO  
MY EYES

ALL OF YOU  
WILL SUCCEMB  
TO ME!!!

STAY  
AWAY!!!

My vision will be clear to you

I will do as you ask...

Just spare my daughter's life

Sin started with a woman...

It will continue with one.

Moments later

The balance has shifted and the fire is vanishing

Now for the Book

This world is ending... let it die

What is this, end... YOU SPEAK OF

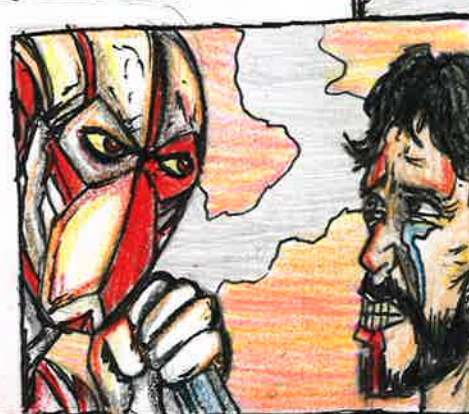

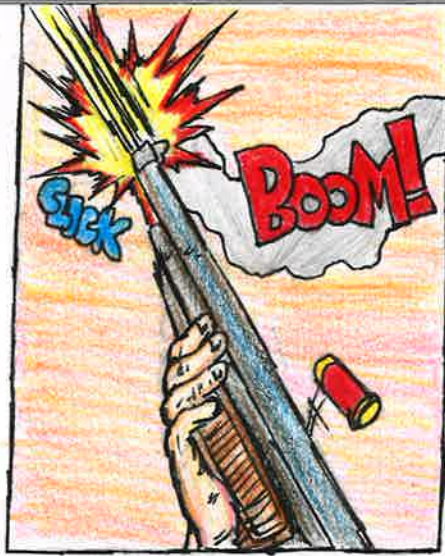

I will show you...

This world is dying

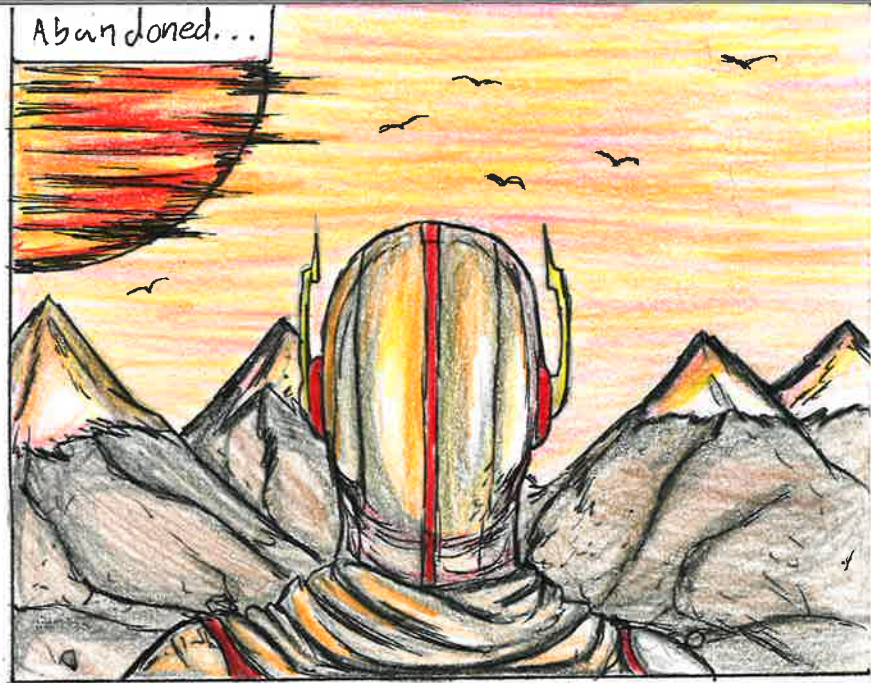

The fallen race of Man is coming closer and closer to its doom

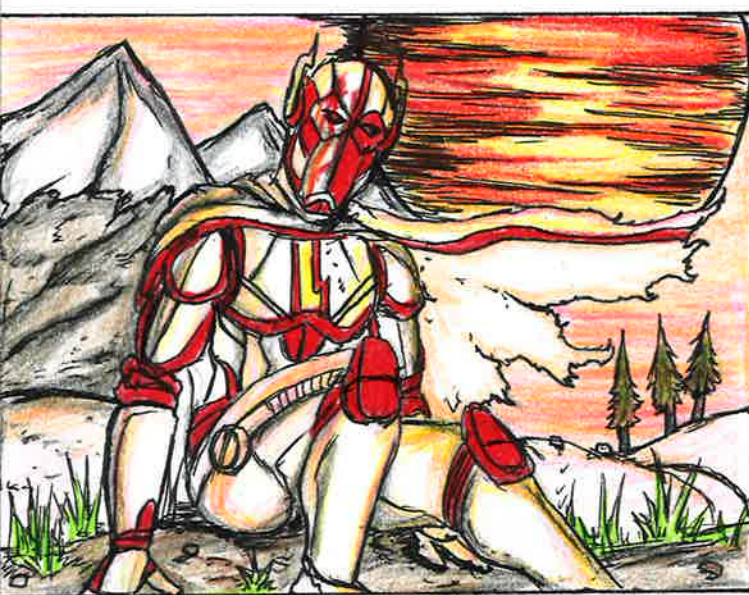

I was cast out...

Abandoned...

By the wicked Path I chose...

He should have accepted me...

But now I embody rejection and misery...

I will ignite the fire that will start the Light War.

These visions...

They mean nothing...

**NOOO!**

It is but a shadow  
of what could have  
been...

I will change the  
course of the future...

It's over!

They will FALL!

6 months later

And with hope in only the few...

It is as the book foretold

I will take them all

He's taken everything, Nostredamus. I can't even show my face any more without looking like that criminal.

We will show them the truth...

They will feel rejection

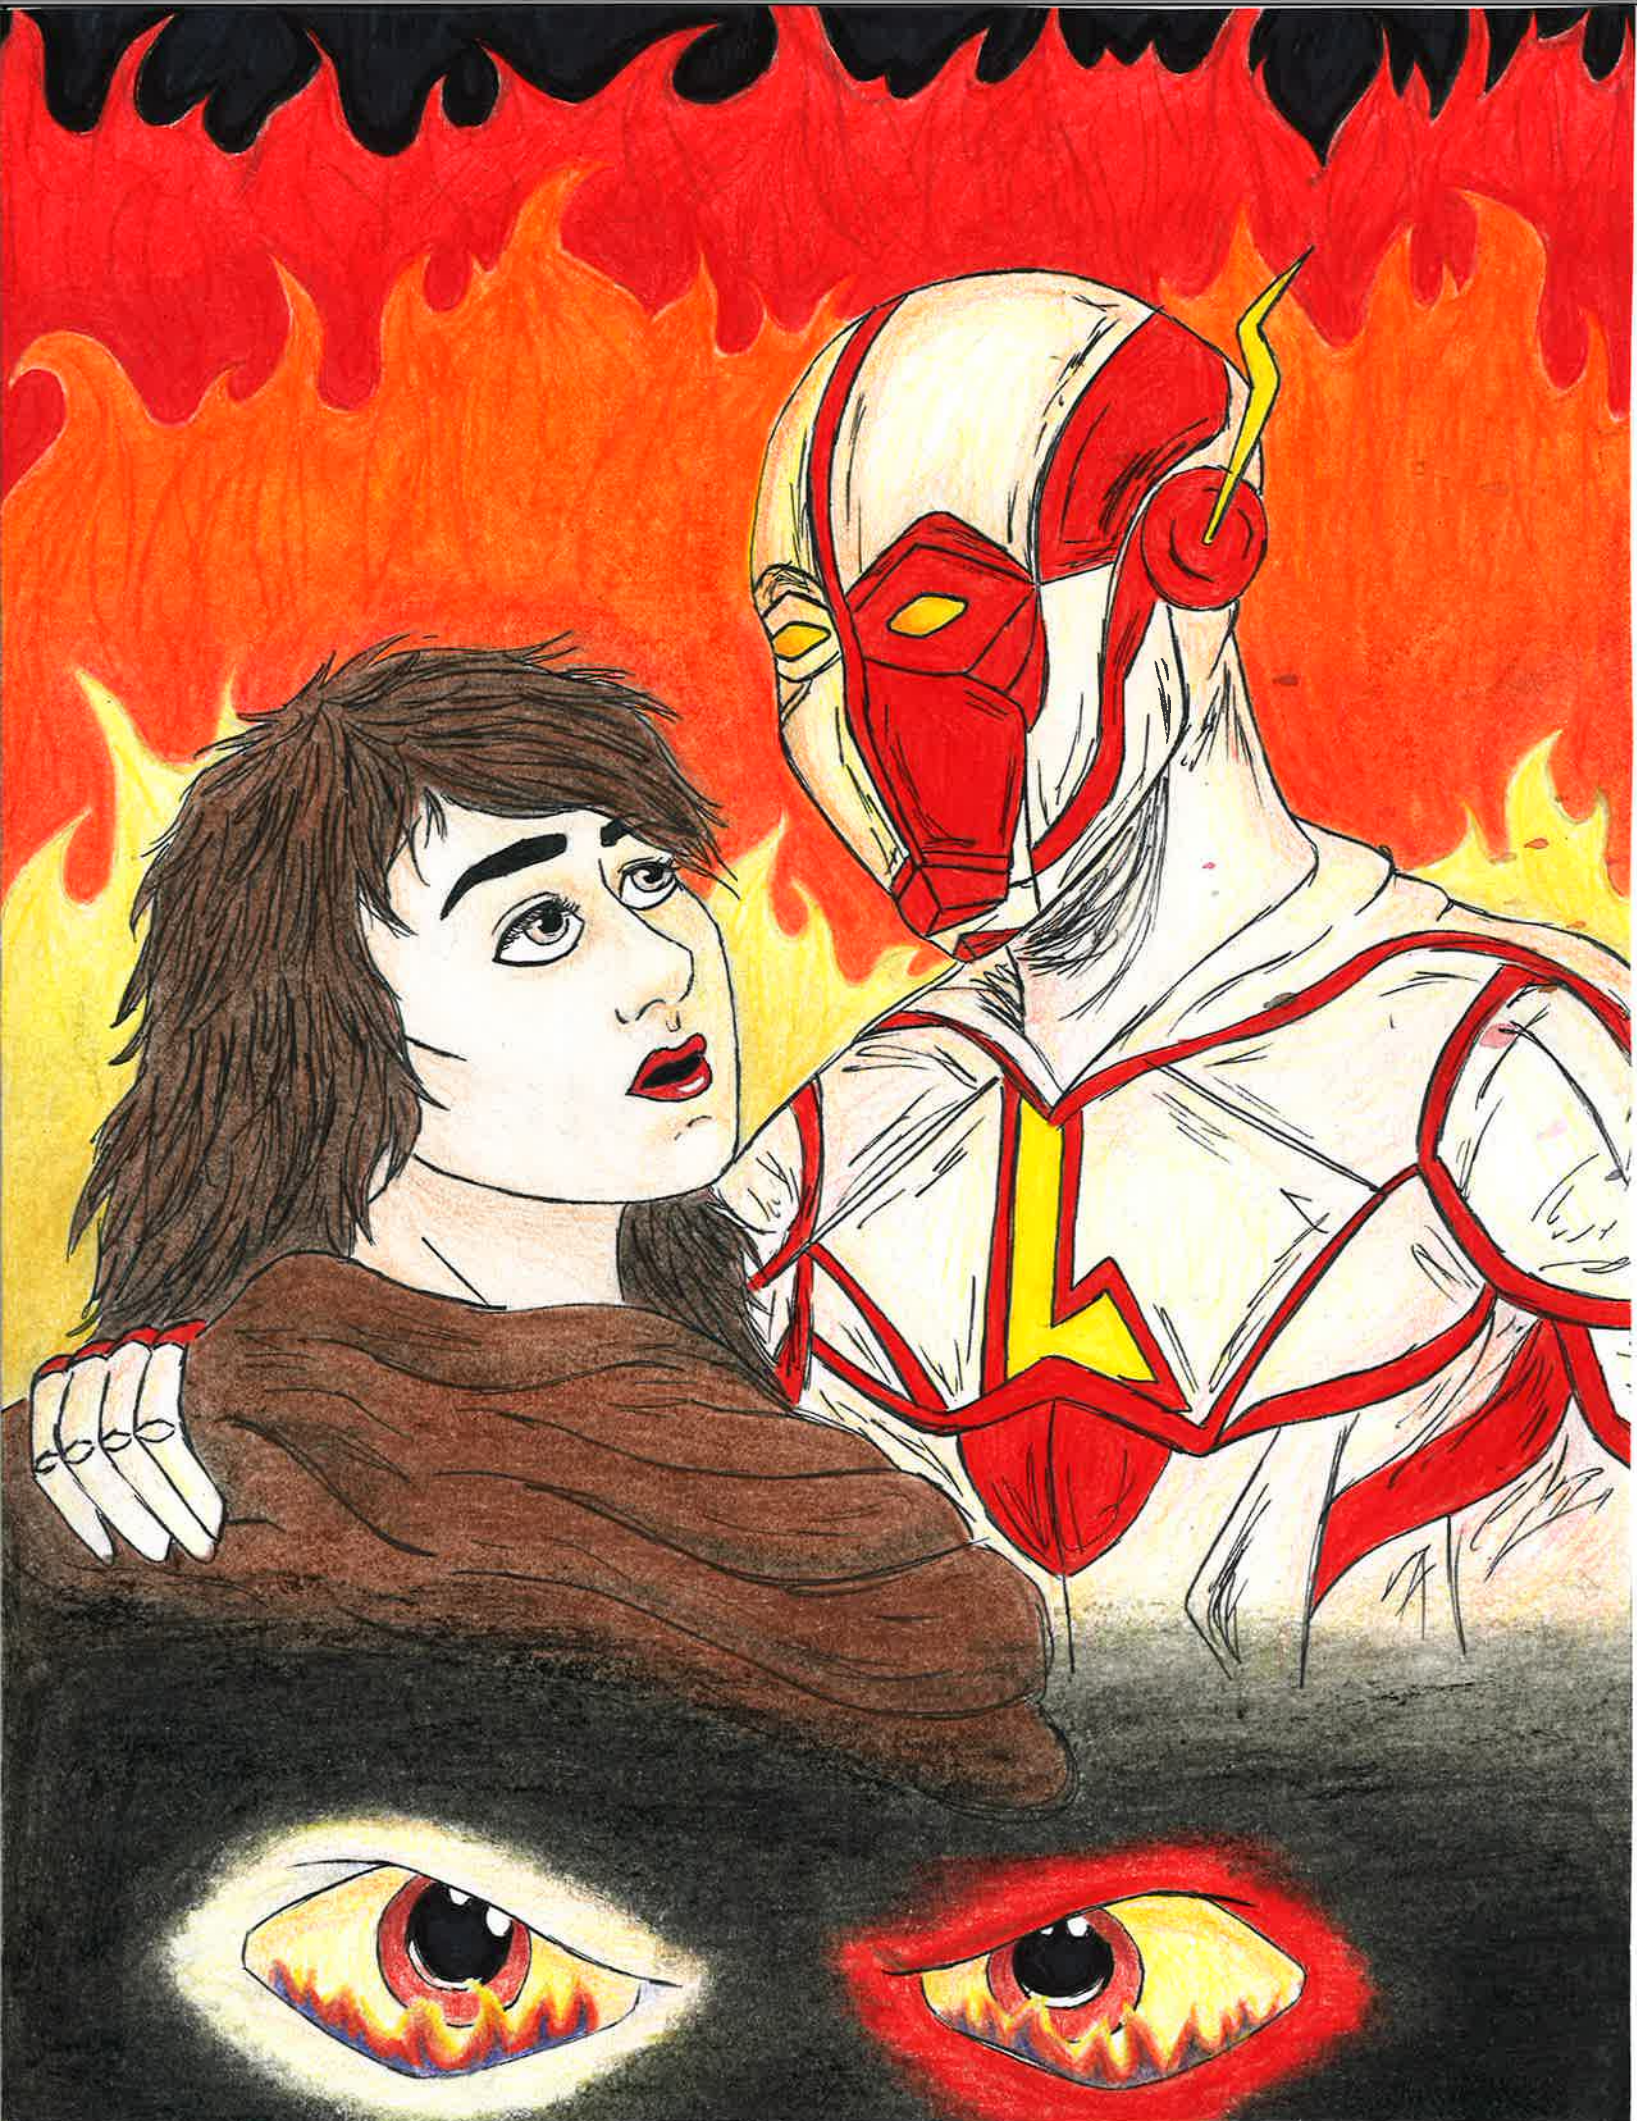

The fate of things to come, is not ours to question...

And he knows that.
